Prayer Ideas:

- **Prayer of Gratitude:** Bring notecards and take the time to write a thank you note for a coworker, friend, ACE community member, etc. Then share and pray for them all together.
- **Fold a Prayer:** Give everyone a piece of paper and ask them to write a one-line prayer request at the top of the page. When they have done this they should fold over the paper. Then pass the paper to the left. Each person should now have a different piece of paper on which they can write another one-line prayer and fold it over again. If they wish, they can write the same prayer again. The paper should be passed on several more times until five or six prayers are on the page. Then everyone should stop, unfold and read their paper. Invite everyone to spend a few moments silently offering these prayers to God. If there is time, the prayers can be put in a pile and everyone offered the opportunity to take and read a new set of prayers.
- **Adoration:** Go to a nearby Adoration chapel together to pray.
- **Praise and worship music:** Listen to or sing a song together.
- **Go to a local church:** Spend some time together in silent prayer.
- **Use images:** Use an image that is special to your school community and/or reflects the culture of your students to enter into prayer.
