Thank you for your interest in applying to *ACE Teaching Fellows*. Please follow the instructions below, which outline the steps for the application:

**Step 1: Create an Application**

To begin your application, click here ([https://gradconnect.nd.edu/apply/](https://gradconnect.nd.edu/apply/)). Follow the instructions on that webpage to create your Notre Dame Graduate School application username and password.

After you have logged in, click on “Start a New Application.” All ACE application types for this coming year are “Summer 2020.”

**Step 2: Application Type & Term**

Under “Applicant type,” select ‘Degree.’ ACE Teaching Fellows is a full-time, degree-seeking program.

Please select ‘ACE Teaching Fellows – M.Ed.’ The admission term for this cohort is: ‘Summer 2020’.

Since ACE Teaching Fellows is a cohort-based program, you **DO NOT** need to select a faculty advisor.

If you’re applying to any other programs at Notre Dame, please indicate that in the appropriate section.

**Step 3: Personal Information**

Complete the personal information page.
**Step 4: Test Scores**

All applicants are **REQUIRED** to submit an official graduate school qualification exam score taken within the last 5 years. Typically, applicants choose to take the GRE. Notre Dame’s institution code is “1841.”

As of 2019, ACE also accepts the MCAT, LSAT, and GMAT as a valid graduate school qualification exam. Candidates who are applying or plan to apply to medical school, law school, and/or MBA programs would likely satisfy the Graduate School testing requirement via one of these three exams.

**Step 5: Academic History**

For the sake of the application, please upload your unofficial transcript in this section. Your official transcripts will be required upon acceptance into ACE Teaching Fellows.

**Step 6: Additional Information**

Complete the “Rank Preference” section for any other programs in which you are applying.

Under “Additional Questions,” when asked if you will be paying your application fee with a waiver click “Yes.” When prompted, enter the code “ACE43.”

**Step 7: Recommendations**

You are required to have four reference letters: 2 from professors, 1 from a peer, and 1 from a residence hall director, campus minister, or service project leader who can attest to your success in living and working in a community atmosphere.

Please DO NOT submit more than 5 letters of recommendation.

**Step 8: Downloadable Forms**

Download the ACE Teaching Fellows Supplement/Program Upload (“ACE Teaching Fellows – M.Ed.”) and complete the form.
**Step 9: Uploads**

Please upload the following in this section:

- "Program Upload" ('ACE Teaching Fellows – M.Ed.') in the appropriate section

**You DO NOT need to submit a Statement of Intent or a Writing Sample.**

**Step 10: Signature**

Input your electronic signature.

**Step 11: Review**

Review and confirm you have completed all parts of the application, and submit when complete.

**Note:** You may submit your portion of the application, even before all Letters of Recommendation and GRE (or equivalent graduate school qualification exam) scores have been received. These will be added to your application automatically upon receipt.
