

Dean of Students & Academics

Nativity High School

San Francisco, CA

Full-time exempt position reporting to Head of School

About Nativity

Nativity High School (nativityhs.org) opened its doors with 9th and 10th grade students in August 2024 as a result of the community's desire for a Classical Catholic high school in San Francisco. Nativity is an independent Catholic school formally recognized and supported by the Archdiocese of San Francisco. It offers a student experience that is unique to the area: small class sizes, a holistic and academically rigorous environment, and affordable tuition making the school accessible to a wide range of income levels. As a start-up school with a unique approach, all faculty and staff must be open to building the school culture, creating traditions and deeply engaging with our students and their families in order to fully live out the mission of Nativity's team: "To imitate Christ in the way we see, teach, and love our students."
